### Further research needed

This family came to Oregon from Kansas between 1885 and 1890.

A puzzle has been uncovered during the family research that has not been resolved:

Ethel L. Moffitt, according to Luper Cemetery listings died 15 July 1896 at the age of 4 yrs, 11 months. Nothing has been found in local newspapers about her death. However, she is mentioned in her father's obituary - see below.

The *Daily Eugene Guard*, published in Eugene, Oregon, Thursday evening, July 16, 1896, on the back page, col. 3, has this:

DIED -- F.O. Moffit, son of Mr. and Mrs. L. C. Moffit, of Irving, died of pneumonia and inflammation of the bowels, July 15, 1896, at the age of six years. The funeral was held today at 10 a.m. and the remains interred in Luper Cemetery. (This is the only mention found for F.O. Moffit)

This raises questions:

Were there two small children who died on July 15, 1896? If so, why is there only one headstone in Luper Cemetery?

Last night Mrs. L. C. Moffett and her daughter, Mrs. Robert Paeschke, who live about eight miles north of Eugene, died within an hour. Mrs. Moffett, who had been ill for several weeks, died rather suddenly and it seems that the shock of her death overcame her daughter and she died soon afterward as she was on the way to her mother's home.

Mrs. Paeschke received word of her mother's death about nine o'clock in the evening and hastening toward the latter's residence in company with her brother and while crossing a foot log over a creek, fell suddenly to the ground. Her brother thought that she had lost her balance and that death was due to the shock of the fall, but a physician who was called said that her heart failed her.

Mr. Paeschke's mother died under very sad circumstances four years ago. She had received word of the death of her mother, Mrs. L. C. Moffitt, and started to her home. While walking across a log footbridge over a creek between the two homes she was stricken with heart failure and dropped from the log, dead.

Earl Paeschke's last letter to his home folks brought word of his first tour in the front lines trenches, and it is believed that he must have been wounded soon after this letter was written.

### *Luper Cemetery Research*

*This document does not claim to be an exhaustive report on this name or this family. The purpose is to examine where the families in Luper Cemetery came from before they settled in the north Eugene/Irving/south Junction City area, where the family members went after the death of these family members, and how they might relate to others buried in Luper Cemetery.*

*This family has been thoroughly researched and documented using Ancestry.com, Eugene Register-Guard newspapers at Google News Archive, State birth, marriage and death certificates, city directories and more. This research was done using Family Tree Maker software with ability to search Ancestry.com and add those findings. I would be happy to share sources and/or discuss any discrepancies.
