NOTE FROM LINDA VANORDEN

For the Robinson Family research, I went back to Ireland to show how Richard A Robinson's father, Thomas and L. R. Robinson were brothers, thus making L. R. Robinson the uncle of Richard.

Since I do not do research in Irish or Canadian records, I have chosen a tree on Ancestry.com Trees that seems plausible, even though it is not sourced, and have used the information from that tree for the early generations.

5 KILLED BY LIGHTNING

Richard A. Robinson Killed by a Stroke of Lightning last Wednesday
Morning. CORONER'S INQUEST

Last Wednesday news was brought to town of the killing of Richard A Robinson who lived about six miles northwest from Eugene, by lightening. The gentleman was one of our best citizens, and as respected by all who knew him. He leaves a family of four children, who live with the deceased's sister in Canada, his wife having died in this county four years ago. This is the first person that has ever been struck by lightning in Lane county and it was generally thought that this country was exempt from such, although lightning is known to have struck two trees within the city limits of Eugene about a year ago. We believe a man was killed from the same cause near Albany, while riding, several years ago.

The following is the testimony elicited before Coroner F W Osburn:

Dr. A. W. Patterson, Examining physician, being first duly sworn, testified as follows: There are no wounds upon the body in any part except some slight bruises upon the left temple, the forehead and the face, with a slight discoloration of the scalp, neck breast and back. The bruises seem to have resulted from falling upon the face, in which position the body was found. It doubtless was caused by a stroke of lightning.

L. R. Robinson, Being first duly sworn testified as follows: The name of the deceased is Richard A. Robinson, my nephew. The last time I saw him alive he was carrying a sack of wheat down the lane, between seven and eight o'clock this (Wednesday) morning, August 1, 1853. It was thundering heavily at the time. About a half an hour later I found him lying on his face in the lane, dead.

VERDICT OF CORONER'S JURY.

We the Jury empaneled to enquire into the cause of the death of Richard A. Robinson, whose body now lies before us, find from the testimony that death resulted from a stroke of lightning. signed: J. C. YATES, J. M. KITCHEN, JAMES LUPER, JOHN INWALL, IRA ALLEN, JAMES HORN.

Anna Jane: Anna Jane Alexander was buried in **Luper Cemetery**, Irving, Lane Co., Oregon.

Luper Cemetery Research

This document does not claim to be an exhaustive report on this name or this family. The purpose is to examine where the families in Luper Cemetery came from before they settled in the north Eugene/Irving/south Junction City area, where the family members went after the death of these family members, and how they might relate to others buried in Luper Cemetery.

This family has been thoroughly researched and documented using Ancestry.com, Eugene Register-Guard newspapers at Google News Archive, State birth, marriage and death certificates, city directories and more. This research was done using Family Tree Maker software with ability to search Ancestry.com and add those findings. I would be happy to share sources and/or discuss any discrepancies.
